## ABOUT ME

Hi, I'm Tiara Kiatama, a Graphic Design student on a quest to explore the diverse realms of design. Starting in high school, I delved into creative design electives, sparking my interest in all things design. Since then, I've been refining my skills with tools like Adobe Illustrator and Photoshop, and exploring various artistic mediums. Following an enriching internship, I embarked on my journey in DKV UPH, focusing on Graphic Design. Discover more about my portfolio on my archive account and website, MI(SUL)GWAN!
